

Kea Conservation Trust

★ Kea Explorers Code of Conduct ★

Our Kea Explorers are a very important part of the Kea Conservation Trust.

We believe that young people have the ability to make **BIG** changes in the world and that's why we are very happy to have you as part of our Kea Explorers team!

To help us make positive changes for kea, Kea Explorers **MUST**:

- *Be curious!*
- *Be a positive example to others*
- *Teach others about kea*
- *Always be respectful*
- *Care for nature*

BE CURIOUS

Be just like a kea - be curious and have fun learning!

- Learning is fun – learning about kea is even more fun!
- If you don't know – ask! Questions are cool. If you have questions about kea, ask us!

BE A POSITIVE EXAMPLE TO OTHERS

Be a good role model for kea by:

- Always doing YOUR BEST! At school, at home, with your friends
- Telling others how cool kea are!

TEACH OTHERS ABOUT KEA

So they can help save kea too!

- Talk to your friends, family and schools about kea and the Kea Conservation Trust
- Visit the Kea Explorers page to find out how you can teach others

ALWAYS BE RESPECTFUL

If you respect others, they will respect you! They will also respect kea through your actions

- Treat others (your parents, teachers, everyone!) as you would like to be treated
- Respect nature – and respect kea!

CARE FOR NATURE

Our birds, reptiles, bats, insects, fish, forests, mountains, rivers and seas are all precious!

- Learn how to protect them – YOU CAN make a difference!
